VIRTUAL
FOOD DRIVE

Want to help, but too busy to shop or get a food drive organized?

Host a **VIRTUAL Food Drive**: just ask and inspire your friends and colleagues to make an **online donation** to UCM. A monetary gift can provide heart-healthy, fresh foods for struggling families.

Can you imagine how you would feel if you had worked all week... and still **couldn't afford to feed your family**? Thanks to **UCM's deep discounts** with our partner agencies, we can stretch your donated dollars a whole lot further -- so the families that turn to us have enough to eat. Please consider a gift of **\$45.00** in honor of our 45th anniversary!

To donate by credit card or check, go to **ucmagency.org** and **designate "Food Pantry"** on our Donate Now page. Your monetary gifts to the Food Pantry mean we can purchase fresh food for our client families. Each week day, an average **80-100 families** depend on groceries at our client-choice Food Pantry.

For more information on hosting a **VIRTUAL Food Drive**, contact Marcos Castillo, Volunteer and Community Relations Coordinator at 571.255.8979 or marcos.castillo@ucmagency.org.
